Thank You for choosing

A Message from Maribeth

It's hard to believe BAG MAKERS has been in business for almost 45 years! I fondly remember our early days with one printing press. We sold bags by day and printed them by night.

In what sometimes feels like the blink of an eye, we've grown into an industry leader with nearly 400 employees. We offer more than 200 products, numerous imprint processes, and partner with distributors to sell more than 92 million bags each year!

Many things have changed over the years, but one thing always stays the same: my gratitude to our customers. I'm so thankful for your loyalty and partnership, and I appreciate everything you've done to contribute to BAG MAKERS' success.

Our family-owned business has stayed true to our original mission—to earn customer loyalty with top-quality products, outstanding customer service, and exceptional on-time delivery. Thanks to your support, BAG MAKERS is honored to be named a Counselor Top 40 Supplier, 2023 PPAI 100 Supplier, 5-Star Rated ASI Supplier, and A Rated SAGE Supplier.

This industry recognition inspires our team to keep pushing to find ways to make our customers' experience even better in the future.

Thank you again for choosing BAG MAKERS as your trusted bag supplier. We wish you and your business a successful and prosperous 2024!

Warmly,

Maribeth Sandford

 **RENOIR**
PET Non-Woven Tote
Pages 46-47

Conferences and trade shows are often held in desirable destinations to entice people to attend. Turn a basic event bag into a sought-after souvenir by making the host city the star of the bag's imprint! If the bag becomes a beautiful conversation piece, attendees will carry it long after the show ends and boost your return on investment.

3 Tips for Creating a Souvenir Bag

1. Choose multi-color artwork to showcase key landmarks or locales in the host city.
2. Pick imprint processes and bag styles that allow for the strongest visual statement.
3. Select a durable bag material to ensure longevity and repeated use.

CUSTOM SERVICES

BAG MAKERS offers complete custom design services to meet all of your marketing needs. Our Design Centre team is available to work with you on product design, production schedules, large quantities, art requirements, pricing, and more.

PLATE CHARGES

Spot-color plate charges are based on overall imprint area at a base charge of \$1.80 (G) per square inch, with a minimum plate charge of \$65 (G) per color per side. Process-color art, halftones, full-bleed, oversized imprints, or art with fine screens are subject to review for plate charges. A plate is needed for each color and each side being printed.

PRODUCTION

Production schedules vary based on seasonal demands; please call for our fastest delivery time. Timing will be based on final proof approval.

Product dimensions, colors, and other features may vary slightly within acceptable industry standards.

Color tints/shades/tones may fluctuate up to 5% within a print run or reorder. Due to the semi-transparent nature of ink, imprint colors will change when printed on colored materials.

PMS color matching is not available for Foil Print.

RUSH ORDERS

Rush production schedules may be available and must be pre-approved. Please contact us for details.

OVERRUNS/UNDERRUNS

Percentages may vary on certain products. Due to production parameters on most plastic bag orders, we anticipate overruns or underruns not to exceed 25% on quantities of 5–9M, 20% on 10–24M, 15% on 25–49M, and 10% on 50–100M. All overrun quantities are subject to invoicing.

CANCELLATIONS

Cancellations must be in writing and are subject to all incurred costs, including set-up, plate, and art charges.

PROOFS

Paper proofs, either faxed or e-mailed, are provided at no charge. Virtual proofs are available on select products. Due to printing dynamics, pre-production or color proofs are not available on all products. Call for details.

ART CHARGES

Art charges may apply if we need to adjust your artwork to be compatible with our printing processes. We will provide a price quote prior to any art services being performed.

SHIPPING

As it is common for **BAG MAKERS** to ship orders early, we reserve the right to determine the appropriate shipping method to meet your deadline.

Special Freight Fees—Additional fees are incurred for COD, inside, residential, international, or re-delivery, as well as deliveries to Alaska, Hawaii, and Puerto Rico. International freight and duty fees—with the exception of Canada—must be charged on the customers' freight account. **BAG MAKERS** reserves the right to submit supplemental invoices after the original invoice for additional fees, freight, duties, and taxes, as necessary.

GENERAL ARTWORK INFORMATION

We accept a variety of digital art formats for either spot or 4-color process designs. We are happy to review your art to ensure it is compatible with printing on our products. All artwork must be pre-approved for final production. Please include a hard-copy printout, or PDF proof, with colors indicated. Art charges may apply if we must adjust your artwork to be compatible with our printing capabilities. We will provide a price quote prior to performing any art services.

ELECTRONIC PLATFORM

We are Mac OS based. Please convert fonts to curves, paths, or outlines, and save or export them to a Mac-compatible format.

ART PLACEMENT AND SIZING

Please create your art to the size it will be printed. We can provide a helpful product template to aid you with design and layout. All art is placed and sized proportionately per bag blueprints or as specified on the purchase order.

Location—Unless otherwise noted, your imprint will be centered within the printable area of the bag. Due to product construction, this may not be the exact center of the bag.

ARTWORK SUBMISSION

E-mail: Send purchase order (P.O.) and art files to design.centre@BagMakersInc.com (*50 MB limit). Please include your P.O. number and company name in the subject field. Also include a digital copy (PDF or JPEG) of your design so we can confirm the integrity of your electronic submission. We suggest that you compress (zip) your file or folder for transmission efficiency and protection from corruption.

*Artwork that is too large to send via email may be submitted through a file-sharing site such as wetransfer.com or mailbigfile.com. These sites allow a free transfer up to 2GB and do not require you to create an account. Please enter design.centre@BagMakersInc.com as the recipient's email, and provide your name, company name, contact information, and P.O. number in the message field. This will help us match up your artwork to your order.

PREPARING YOUR ART

For artwork using multiple imprint colors, please allow for approximate press movement between colors as follows:

- Plastic Bags: 0.0625" (1/16 inch)
- Paper Bags: 0.125" (1/8 inch)
- Laminated Non-Woven: 0.0197" (1/2 millimeter)

When possible, trapping will be added to minimize the visibility of press movement. Trapping will be noticeable where more than one color overlaps.

All art is placed and sized proportionately per bag blueprints or as specified on the purchase order.

PROGRAMS AND FORMATS WE ACCEPT

(Note: Other file formats will not be accepted and may delay production.)

ADOBE ILLUSTRATOR—Our Preferred Vector Art Program

- Save the file as a native Illustrator AI file. If your file contains linked images, please PACKAGE the file to include all fonts and links.
- Or save the file as an Illustrator Default PDF with the "Preserve Illustrator Editing Capabilities" box check-marked.

ADOBE PHOTOSHOP—Our Preferred Raster Art Program

- CMYK color
- High-quality 300 ppi minimum resolution at the size to be printed.
- PSD, TIFF, EPS, or JPEG formats accepted.
- Please use exact, sharp-edged clipping masks or clipping paths when isolating your art from the background.

ADOBE INDESIGN CS4–CC2021 (Macintosh Version Only)

- Please PACKAGE the file and include all fonts and linked images.
- Please do not use third-party plug-ins; they will prevent us from being able to process your art.

FONTS

MINIMUM SIZES

Positive prints: 10-point fonts and 1-point lines.

Reverse prints: Design and bag material can change the minimum size for reverse prints. We will need to review fonts and line widths. Plan to use larger point sizes than those used in positive prints, and avoid thin serif font styles.

PLEASE CONVERT YOUR FONTS to outlines/paths/curves within your program. If we do not have the exact font used, the text in your art will "default" to a different font, changing the look of your design. Converting your fonts to outlines, paths, or curves eliminates this hazard by changing your fonts into vector shapes. This ensures your artwork will print and look exactly as designed.

If you choose not to convert your fonts to outlines, please send us the font you used. Please send only Macintosh-compatible or Open-Type fonts.

VECTOR ART

Vector images can be resized without losing quality, causing blurriness or becoming pixelated. Please note that placing or importing photographs, bitmap, or raster images into a drawing program does not convert them into vector artwork. If a placed/imported Photoshop-type image (EPS, TIFF, JPEG, or PSD) is necessary, the original file should be included, 300 ppi minimum, and pre-approved by **BAG MAKERS**.

HIGHER RESOLUTION IS ALWAYS BETTER

We recommend raster images be created at a 300 ppi minimum and to the largest size they will be printed. The resolution at which they are created determines their quality. Photographs, or any artwork created in programs such as Adobe Photoshop or Corel Photo-Paint, are raster (or bitmap) images. Enlarging raster or bitmap images will degrade their print quality to a possibly unacceptable condition.

HALFTONES

We must approve halftone artwork to ensure optimal print quality. Most halftones are printed with a 45-55 line screen. Color percentages for art containing halftones should not be less than 20% or greater than 60%. Areas less than 20% may not print and areas greater than 60% may fill in and become a solid color. Designs that contain gradients or blends may need factory pre-press alterations for optimum print quality and will require a final, signed proof approval.

ORDERING

We sell our products through a national network of promotional marketing distributorships that specialize in creative marketing and custom-imprinted merchandise.

Please submit purchase order (P.O.) and art files in the same email to Orders@BagMakersInc.com. Include your P.O. number and company name in the email subject field. Please provide a PDF or JPEG copy (proof) of your design to allow us to confirm the integrity of your electronic submission. We recommend compressing (zipping) your file or folder for transmission efficiency and protection from corruption.

ACKNOWLEDGMENTS

BAG MAKERS acknowledges every order in writing. Any changes to an order after receipt must be confirmed in writing and may incur additional charges.

CANCELLATIONS

Cancellations must be in writing and are subject to all incurred costs, including materials, set-up, plate, screen, and artwork charges.

CREDIT POLICY

For new accounts, a customer information form must accompany your order. In most instances, it will be necessary for new orders to be pre-paid. Please allow 5 working days for processing and review of credit applications and trade references. Orders will not ship without credit approval or prepayment.

We accept Visa, Mastercard, Discover, and American Express.

OVERRUN/UNDERRUN POLICY

Catalog quantities ship exact. For custom orders, refer to page 204.

PRODUCT SPECS

Product dimensions, colors, and other features may vary slightly within acceptable industry standards.

RETURN POLICY

Only unimprinted bags may be returned. **BAG MAKERS** must be notified within 30 days and a Return Merchandise Authorization number must be assigned by our Problem Assessment Department. A 20% restocking fee applies for unimprinted bags, as well as all original freight and return freight charges.

PRODUCTION TIME

Production time begins after final approval of your order and credit. Orders that request larger-than-catalog quantities or multiple print locations/ colors that exceed 3000 impressions will require extra production time. Please call for additional production times. During peak production periods, **BAG MAKERS** may require extended production times due to production capacity. Please check **BAG MAKERS'** website for current production times.

RUSH SERVICE

- Please call for availability.
- Artwork is required by 10:30 a.m. CST and must be print-ready with no art or typesetting services needed.
- During peak production periods, **BAG MAKERS** may not be able to accept rush requests due to production capacity. **BAG MAKERS** will notify customers if submitted rush orders are not able to be fulfilled.

ARTWORK GENERAL INFORMATION

IMPRINTING

Imprints are added to pre-constructed bags, so folds, gussets or other restrictions may impact the available imprint area or ability to print. In addition, a multicolor design may require the bag to pass through the press an additional time for each color, depending on the print process. **BAG MAKERS** requires a minimum space between each ink color to accommodate unavoidable bag movement and color shifting that occurs during production. **COLORVISTA**, Digital Full Color, Direct Print, Dynamic Color, Chromatic, Sparkle, and Sublimation are not subject to this space requirement. Please call for spacing requirements for orders using multiple print processes. Color tints/shades/tones may fluctuate up to 5% within a print run or reorder.

CUSTOM IMPRINT COLORS

- **Screen Print Ink:** Call for availability and pricing.
- **Flexo Ink:** \$62.50 (G) per color. PMS color matching available on White bags only.

QUESTIONS ABOUT YOUR ARTWORK

We invite you to submit a copy of your artwork to ArtInquiry@BagMakersInc.com before you place your order. We can review your design—generally within 24 hours—and make recommendations for achieving the best possible imprint.

ELECTRONIC PLATFORM

We are Mac OS based. Fonts in all files (Mac or PC) should be converted to outlines, paths, or curves.

ART PROGRAMS • FORMATS • MULTICOLOR IMPRINTING

Files created in other programs or formats not listed on the art specification pages may not be usable or may incur additional art charges for conversion.

ART PLACEMENT AND SIZING

Unless otherwise specified on your purchase order, all artwork will be sized to the maximum imprint dimensions and centered in the product's standard imprint area. Due to product construction, this may not be the exact center of the bag. Bag imprint templates are available for download on our website.

ARTWORK SUBMISSION

E-mail: Please submit your purchase order (P.O.) and art files together in the same email to Orders@BagMakersInc.com. Include your P.O. number and company name in the email subject field. Please include a PDF or JPEG copy (proof) of your design so we can confirm the integrity of your electronic submission. We suggest that you compress (zip or stuff) your file or folder for transmission efficiency and protection from corruption.

ART CHARGES

- Email Proof: Free. May take up to 48 business hours from receipt of required artwork and complete purchase order.
- Creative Artwork Services: \$60 (G) per hour. First hour is free.
- Minimum Artwork Service Charge: \$30 (G).
- Proof Revisions: \$12 (G) each. *First revision is free with an electronic proof.*

These art rates do not apply to virtual proofs and Design Centre orders.

COPYRIGHT & REGISTERED TRADEMARKS

BAG MAKERS is unable to typeset, modify, or alter logos or artwork with a registered trademark or service mark. Modifications may violate or infringe on the owner's rights or brand guidelines. This includes, but is not limited to:

- Removing or adding service marks (®, TM, SM, ©)
- Adjusting line thickness
- Changing font styles
- Modifying colors, size, spacing, or clear space surrounding the logo.

Any alterations needed to artwork that contains a copyright or registered mark should be provided by the company that owns the rights to the artwork.

PRINTING METHOD Affordable, fast production process uses a flexible photopolymer plate on a rotating drum to make imprints with solvent-based ink.

PROGRAMS and FORMATS WE ACCEPT

Any other file formats are not acceptable and may delay production.

ADOBE ILLUSTRATOR—Our Preferred Vector Art Program. Save as native Illustrator .ai file, or Illustrator Default PDF with the Preserve Illustrator Editing Capabilities box check-marked.

VECTOR ART IS PREFERRED

Vector images can be resized without any loss of quality. Please note that placing or importing photographs, bitmap, or raster images into a drawing program does not convert them into vector artwork. If your artwork contains a placed or embedded raster image (PSD, TIFF, JPEG, CPT, EPS), the original raster image file should be included and be pre-approved by **BAG MAKERS**.

MULTICOLOR IMPRINTS

Artwork must be pre-approved by **BAG MAKERS** for printability. Colors must be separated by at least 1/4" of surrounding clear space to allow for color movement. Please note that some color movement will still occur. Two-color imprinting is not available on some bags.

FONTS and LINE RULES

MINIMUM SIZES: (See Font and Line size chart on page 208.)

1-point lines or rules.

12-point fonts. Thin serif font styles are not recommended.

FONTS—Please Convert To Outlines (Paths or Curves)

If we do not have the exact font you used, the text in your art will "default" to a less attractive font, changing the look of your design. Converting your fonts to outlines, paths, or curves eliminates this hazard by changing your fonts into vector shapes. This ensures that your artwork will print exactly how you expect it to look.

HALFTONES

For best results, artwork containing halftones must be pre-approved and is available on select bag styles. Halftones are printed with a 30-line screen. Color percentages for art containing halftones should range from 20% to 60%. Areas less than 20% may not print and areas greater than 60% may fill in and become a solid color. Designs that contain gradients or blends may need alterations for optimum print quality and will require a final, signed proof approval.

Halftone bag imprint shown at 100%.

FLEXO INK PRINT Color Selection—For imprinting on select PLASTIC or PAPER bags.

NOTE: The color samples below represent ink printed on white bags. PMS color matching is available on white bags only. Colors printed on a colored bag will result in a different shade, tone, or hue. Color tints/shades/tones may fluctuate up to 5% within a print run or reorder. Please call for details.

For accurate color representation, please consult the PantonePLUS® Coated Formula Guide if printing on plastic bags, or the PantonePLUS® Uncoated Formula Guide if printing on paper bags.

White ink on colored and kraft bags will not print as a solid white. Due to the transparent nature of ink, the underlying bag color will introduce a slight color tint to the white.

FOIL PRINT ARTWORK SPECIFICATIONS

Please also visit pages 206-208 for additional information.

Available on select *HI-DENSITY PLASTIC* and *PAPER* bags and *RIBBON*.

PRINTING METHOD Elegant metallic, matte, holographic, and high-gloss foil imprints are created with an engraved magnesium plate, heat, and pressure.

If your artwork contains a placed or embedded raster image (PSD, TIFF, JPEG, CPT, EPS), the original raster image file should be included and be pre-approved by BAG MAKERS.

MULTICOLOR IMPRINTS

Colors must be separated by at least 1/8" of surrounding clear space to allow for color movement. Please note that some color movement will still occur. Designs with tighter registration must be pre-approved.

Your artwork can have places where the foil overlaps, as long as the overlap is between two pieces of the same type of foil. For example, metallic foil

2-color imprint shown at 100%

can overlap metallic foil, and matte foil can overlap matte foil. The foil adhesive is designed to only stick to itself or the bag and won't adhere well on different types of foil. In addition, white foil should not overlap metallic, high-gloss, or matte foils due to its chalkier texture.

ADOBE ILLUSTRATOR—Our Preferred Vector Art Program.

Save as native Illustrator .ai file, or Illustrator Default PDF with the *Preserve Illustrator Editing Capabilities* box check-marked.

VECTOR ART IS PREFERRED

Vector images can be resized without any loss of quality. Please note that placing or importing photographs, bitmap, or raster images into a drawing program does not convert them into vector artwork. If your artwork contains a placed or embedded raster image (PSD, TIFF, JPEG, CPT, EPS), the original raster image file should be included and be pre-approved by **BAG MAKERS**.

MULTICOLOR IMPRINTS

Artwork must be pre-approved as color registration requirements exist and vary per bag style. Some movement between colors will occur due to the printing method required for post-converted bags.

2-color solid screen imprint detail shown at 100%

FONTS and LINE RULES

MINIMUM SIZES: (See Font and Line size chart on page 208)

2-point lines or rules.

16-point fonts. Thin serif font styles are not recommended.

MINIMUM SIZES: For printing on mesh panels of Grandé Mesh Panel Tote on pages 54-55.

3-point lines or rules.

28-point fonts. Bold fonts provide the best results. Thin serif font styles are not recommended.

FONTS—Please Convert To Outlines (Paths or Curves) If we do not have the exact font you used, the text in your art will "default" to a less attractive font, changing the look of your design. Converting your fonts to outlines, paths, or curves eliminates this hazard by changing your fonts into vector shapes. This ensures that your artwork will print exactly how you expect it to look.

HALFTONES

For best results, artwork containing halftones must be pre-approved and is available on select bag styles. Halftones are printed with a 30-line screen. Color percentages for art containing halftones should range from 20% to 60%. Areas less than 20% may not print and areas greater than 60% may fill in and become a solid color. Designs that contain gradients or blends may need alterations for optimum print quality and will require a final, signed proof approval.

SCREEN PRINT Color Selection—For imprinting on COTTON/JUTE, PET NON-WOVEN, NON-WOVEN, and POLYESTER bags.

NOTE: The color samples below represent ink printing on white bags. Color tints/shades/tones may fluctuate up to 5% within a print run or reorder. Colors printed on a colored bag will result in a different tint, shade, or tone. Some screen ink colors are not recommended on some colored bags. Please contact us for options or further details. Swatches shown are for approximate color representation only. **PANTONE (PMS) color match is not available.** For additional colors, call for availability, production time, and cost.

COLORVISTA ARTWORK SPECIFICATIONS

Please also visit pages 206-208 for additional information.

Available on **COTTON/JUTE, PET NON-WOVEN, NON-WOVEN, POLYESTER, R-PET NON-WOVEN** and **UNCOATED PAPER** bags.

PRINTING METHOD 4-Color process (CMYK). Heat transfer process, providing close registration on multi-color artwork, vivid colors, crisp details, and photo-quality reproduction.

PROOFS Proofs are required and sent on all new **COLORVISTA** orders and reorders with changes.

COLOR PROFILE CMYK—North American Prepress 2 SWOP coated.

RESOLUTION 300 PPI minimum at maximum (100%) imprint size.

PROGRAMS and FORMATS WE ACCEPT

Any other file formats are not acceptable and may delay production.

ADOBE ILLUSTRATOR—Our Preferred Vector Art Program.

- Save as native Illustrator .ai file, or Illustrator Default PDF with the *Preserve Illustrator Editing Capabilities* box check-marked.

ADOBE PHOTOSHOP—Our Preferred Raster Art Program.

- Save files as native Photoshop .psd or layered TIFF with transparent background and/or only necessary layers.
- Please properly isolate your art from the background by using exact, sharp-edged clipping masks or clipping paths.

ADOBE INDESIGN—Macintosh Version only.

- Please package the file and include all fonts and links.
- Please do not use third-party plug-ins—if they are used, we will be unable to process your art.

FONTS and LINE RULES

MINIMUM SIZES: (See Font and Line size chart on page 208)

3-point lines or rules. 18-point fonts. (if free floating on the bag)
Thin serif font styles are not recommended.

MINIMUM SIZES: For printing on mesh panels of Grandé Mesh Panel Tote on pages 54-55.

4-point lines or rules. 24-point fonts.
Bold fonts provide the best results.
Thin serif font styles are not recommended.

FONTS—Please Convert To Outlines (Paths or Curves)

If we do not have the exact font you used, the text in your art will default to a less attractive font, changing the look of your design. Converting your fonts to outlines, paths, or curves eliminates this hazard.

IMPRINT COLORS

Color tints/shades/tones may fluctuate up to 5% within a print run or reorder. PMS color matching is not available. PMS solid spot colors are converted to corresponding CMYK formulas to achieve close equivalents. Please consult a PANTONE-Plus Color Bridge—Coated guidebook to view how your PMS Solid Color will look once converted to CMYK.

* Vector artwork only for Gold Metallic, Silver Metallic, and Fluorescent Pink imprint colors.

BAG COLOR MINIMUMS

There is a 75 bag minimum per bag color.

A SPECIAL NOTE ABOUT OUR PRINTING PROCESS

The **COLORVISTA** process requires an adhesive layer on the backside of the artwork. This results in a narrow outline of color similar to the bag color around the artwork to ensure proper adhesion.

Adhesive outline. Imprint shown at 100%.

Our internal 5-Point Check Compliance Program is modeled after the former Quality Certification Alliance (QCA) accreditation program. This program includes third-party audits of our headquarters and supplier base at the same frequency and standards of QCA. It adheres to the five pillars of compliance established by QCA:

SOCIAL COMPLIANCE

Our company and supply chain facilities adhere to legal and ethical international standards for social accountability, including those that impact wages, working hours, discriminatory hiring and employment practices, employee health and safety, forced labor, and child labor.

PRODUCT SAFETY

We have policies in place to detect and prevent non-compliant product from shipping to customers. This includes testing product materials and coatings, compliance with regulatory requirements, and an effective and efficient recall system.

PRODUCT QUALITY

We have documented procedures to ensure continuous adherence to product quality and performance standards, from design through production. This includes a formal quality manual, regular inspections, and a supplier qualification program.

SUPPLY CHAIN SECURITY

Our policies are designed to provide supply chain visibility and secure delivery of products manufactured and shipped under the BAG MAKERS name. Our program meets security criteria established by U.S. Custom's C-TPAT program to protect our borders.

ENVIRONMENTAL STEWARDSHIP

We promote ongoing conservation of the environment by complying with local regulations, recycling, and restricting banned substances.

SAFETY

Our products and coatings comply with the Consumer Product Safety Improvement Act of 2008 (CPSIA), the Consumer Product Safety Act of 1972, California Proposition 65, and the Toxics in Packaging Prevention Act. We have CPSIA-compliant product labeling and an online recall tracking program for a core group of products that might be used by children under age 12.

ECO-FRIENDLY PRODUCTS

BAG MAKERS has offered eco-conscious product options for more than 20 years. Most of our bags are reusable and many are made with recycled content.

REUSABLE

Most of our bags can be used many times. Reusable products reduce waste in landfills. Plus, reusable products ensure a brand's logo will be seen repeatedly over a long product lifespan.

RECYCLED CONTENT

Using recycled materials helps preserve natural resources, save energy in the manufacturing process, and reduce landfill waste. Post-industrial content is material that's recycled after the manufacturing process, before reaching consumers. Post-consumer recycled content is made from waste that has been used by a consumer, disposed of, and diverted from landfills.

- **The Adventure™ Tote** and **R-PET Non-Woven Totes** are made from 100% post-consumer recycled content (R-PET), which comes from recycled plastic bottles.
- **The Penny™ R-PET Poly-Cotton Tote** is made from a 6 oz. poly-cotton blend, with 35% post-consumer recycled content (R-PET), which comes from recycled plastic bottles.
- **Eco Kraft-Brown Shoppers, Eco Kraft-Brown Matte-Laminated Eurototes, Eco Die Cut Shoppers, Cotton Twill-Handle Eco Eurototes, and Matte Shoppers (Toto, Dorothy, Munchkin and Judy)** are made with 100% recycled paper with a minimum of 60% recycled post-consumer content.
- **Plastic Eco Die Cut Handle Bags** contain up to 40% post-industrial content and up to 20% non-petroleum-based calcium filler, reducing petroleum-based resins by as much as 60%.
- Our **BBL Bags, Merchandise Bags Brown Kraft** and **S.O.S. Brown Kraft Bags** are made with 100% recycled material with a minimum of 95% post-consumer content.
- The **Sentry** plastic bag is made with no less than 20% post-consumer recycled content.
