## Thank You for choosing us!

### A Message from Maribeth

At BAG MAKERS, our employees are truly the heart of everything we do.

I feel lucky to work alongside such a talented, dedicated group of people—and I know you see their commitment in every order we deliver.

In this year's catalog, we put the spotlight on some of our longest-tenured employees; these employees have all been part of the BAG MAKERS family for more than 25 years!

As you flip through the catalog and explore what's new for 2026, I hope you'll enjoy not only discovering new products but also meeting the incredible people behind them. Every BAG MAKERS employee—whether they joined us decades ago or just this year—plays an important role in our success. They make the magic happen every day, whether they are processing your orders, sending samples, keeping our website running, or ensuring your bags are printed and shipped with care.

On behalf of all of us at BAG MAKERS, thank you for your trust and partnership. We're honored to work with you, and we look forward to bringing your bag projects to life in 2026 and beyond.

Warmly,  
Maribeth Sandford

Chief Executive Officer

P.S. Special thanks to the Illinois Railway Museum and Donley Auctions for graciously allowing us to photograph at their locations.

## A "SHOW" STOPPER

Turn Your Event Bag into  
a Destination Souvenir  
For Maximum Impact

Conferences and trade shows are often held in desirable destinations to entice people to attend. Turn a basic event bag into a sought-after souvenir by making the host city the star of the bag's imprint! If the bag becomes a beautiful conversation piece, attendees will carry it long after the show ends and boost your return on investment.

### 3 Tips for Creating a Souvenir Bag

1. Choose multi-color artwork to showcase key landmarks or locales in the host city.
2. Pick imprint processes and bag styles that allow for the strongest visual statement.
3. Select a durable bag material to ensure longevity and repeated use.

## CANCELLATIONS

Cancellations must be in writing and are subject to all incurred costs, including materials, set-up, plate, screen, and artwork charges.

## CREDIT POLICY

For new accounts, a customer information form must accompany your order. In most instances, it will be necessary for new orders to be pre-paid. Please allow 5 working days for processing and review of credit applications and trade references. Orders will not ship without credit approval or prepayment.

We accept Visa, Mastercard, Discover, and American Express.

## OVERRUN/UNDERRUN POLICY

Catalog quantities ship exact. For custom orders, refer to website.

## PRODUCT SPECS

Product dimensions, colors, and other features may vary slightly within acceptable industry standards.

## RETURN POLICY

Only unimprinted bags may be returned. **BAG MAKERS** must be notified within 30 days and a Return Merchandise Authorization number must be assigned by our Problem Assessment Department. A 20% restocking fee applies for unimprinted bags, as well as all original freight and return freight charges.

## PRODUCTION TIME

Production time begins after final approval of your order and credit. Orders that request larger-than-catalog quantities or multiple print locations/colors that exceed 3,000 impressions will require extra production time. Please call for additional production times. During peak production periods, **BAG MAKERS** may require extended production times due to production capacity. Please check **BAG MAKERS'** website for current production times.

**RUSH SERVICE**—Please call for availability. See chart on next page.

- Artwork is required by 10:30 a.m. CST and must be print-ready with no art or typesetting services needed.
- During peak production periods, **BAG MAKERS** may not be able to accept rush requests due to production capacity. **BAG MAKERS** will notify customers if submitted rush orders are not able to be fulfilled.
- Rush service is not available on **Brilliance, Direct Print, Marquee, Sparkle, or Sublimation**.

**UNIMPRINTED ORDERS**—Ship next business day, pending pre-pay or credit approval. Please allow extra days for quantities larger than 3,000 and orders shipping by truck service.

## ARTWORK GENERAL INFORMATION

FOR PRODUCTS SHOWN ON PAGES 1-163

Please refer to the following pages for complete artwork specifications for each imprint process.

### IMPRINTING

Imprints are added to pre-constructed bags, so folds, gussets or other restrictions may impact the available imprint area or ability to print. In addition, a multicolor design may require the bag to pass through the press an additional time for each color, depending on the print process. **BAG MAKERS** requires a minimum space between each ink color to accommodate unavoidable bag movement and color shifting that occurs during production. **COLORVISTA**, Digital Full Color, Direct Print, Dynamic Color, Chromatic, Sparkle, and Sublimation are not subject to this space requirement. Please call for spacing requirements for orders using multiple print processes. Color tints/shades/tones may fluctuate up to 5% within a print run or reorder.

### CUSTOM IMPRINT COLORS

- **Screen Print Ink:** Call for availability and pricing.
- **Flexo Ink:** \$62.50 (G) per color. PMS color matching available on White bags only.
- **COLORVISTA, Brilliance, Digital Full Color, Direct Print, Dynamic Color, Chromatic, Foil Print, Marquee, Sparkle, and Sublimation:** Not available.

### QUESTIONS ABOUT YOUR ARTWORK

We invite you to submit a copy of your artwork to [ArtInquiry@BagMakersInc.com](mailto:ArtInquiry@BagMakersInc.com) before you place your order. We can review your design—generally within 24 hours—and make recommendations for achieving the best possible imprint.

### ELECTRONIC PLATFORM

We are Mac OS based. Fonts in all files (Mac or PC) should be converted to outlines, paths, or curves.

### ART PROGRAMS • FORMATS • MULTICOLOR IMPRINTING

Files created in other programs or formats not listed on the art specification pages may not be usable or may incur additional art charges for conversion.

### ART PLACEMENT AND SIZING

Unless otherwise specified on your purchase order, all artwork will be sized to the maximum imprint dimensions and centered in the product's standard imprint area. Due to product construction, this may not be the exact center of the bag. Bag imprint templates are available for download on our website.

### ARTWORK SUBMISSION

**E-mail:** Please submit your purchase order (P.O.) and art files together in the same email to [Orders@BagMakersInc.com](mailto:Orders@BagMakersInc.com). Include your P.O. number and company name in the email subject field. Please include a PDF or JPEG copy (proof) of your design so we can confirm the integrity of your electronic submission. We suggest that you compress (zip or stuff) your file or folder for transmission efficiency and protection from corruption.

You may also use a free file-sharing site such as [wetransfer.com](http://wetransfer.com) or [mailbigfile.com](http://mailbigfile.com). Please enter [Art@BagMakersInc.com](mailto:Art@BagMakersInc.com) as the recipient's email, and provide your name, company name, contact information and P.O. number in the message field. ## QR CODES

If your imprint includes a QR code, please follow these basic guidelines to ensure optimum code functionality. Visit our website for more details.

PRINT METHOD	CAN WE PRINT IT	MINIMUM SIZE	IMPORTANT GUIDELINES
CHROMATIC COLORVISTA DIGITAL FULL COLOR DYNAMIC COLOR DIRECT PRINT SUBLIMATION	YES	1.5" square	• A white background and border space must surround the code in order to create a clean, unobstructed scan.
FOIL PRINT	YES	1.5" square	• For best results, the bag color should be white or frosted only. • High contrast, dark imprint color is recommended. • Due to the bag texture, Matte Shoppers are not available.
FLEXO INK PRINT	YES	1.5" square	• For best results, the bag color should be limited to white only. • Not available on hi-density bags.
BRILLIANCE MARQUEE SCREEN PRINT SPARKLE	NO	N/A	Not available.

\* Product and imprint colors shown throughout this catalog may vary slightly from actual product colors due to the inherent limitations in printing.

## FLEXO INK PRINT COLOR SELECTION

Available on select **PLASTIC** and **PAPER** bags.

**NOTE:** The color samples below represent ink printed on white bags. PMS color matching is available on white bags only. Colors printed on a colored bag will result in a different shade, tone, or hue. Color tints/shades/tones may fluctuate up to 5% within a print run or reorder. Please call for details.

For accurate color representation, please consult the PantonePLUS® Coated Formula Guide if printing on plastic bags, or the PantonePLUS® Uncoated Formula Guide if printing on paper bags.

White ink on colored and  
kraft bags will not print as  
a solid white. Due to the  
transparent nature of ink,  
the underlying bag color  
will introduce a slight  
color tint to the white.

## FOIL PRINT COLOR SELECTION

Available on select **HI-DENSITY PLASTIC** and **PAPER** bags and **RIBBON**.

**NOTE:** The color samples below represent foil printed on white bags. Some foil colors, when printed on a colored bag may appear lighter, darker, or a slightly different hue. Some foil colors may not be suitable for imprinting on select bag styles. Please call for details. Swatches shown are for approximate color representation only. **PANTONE (PMS) color match is not available.**

Due to the chalkiness of the  
white matte foil, it is not  
available for use on ribbon or  
bows and is not recommended  
for fine lines or small type.

## SCREEN PRINT COLOR SELECTION

Available on select **COTTON/JUTE**, **PET NON-WOVEN**, **NON-WOVEN**, **R-PET NON-WOVEN**, and **POLYESTER** bags.

**NOTE:** The color samples below represent ink printing on white bags. Color tints/shades/tones may fluctuate up to 5% within a print run or reorder. Colors printed on a colored bag will result in a different tint, shade, or tone. Some screen ink colors are not recommended on some colored bags. Please contact us for options or further details. Swatches shown are for approximate color representation only. **PANTONE (PMS) color match is not available.** For additional colors, call for availability, production time, and cost.

Our internal 5-Point Check Compliance Program is built on five key pillars: Social Compliance, Product Safety, Product Quality, Supply Chain Security, and Environmental Stewardship. This program includes third-party audits of our headquarters and supplier base that are completed to ensure products and processes meet or exceed established compliance standards, requirements, and laws.

### **SOCIAL COMPLIANCE**

Our company and supply chain facilities adhere to legal and ethical international standards for social accountability, including those that impact wages, working hours, discriminatory hiring and employment practices, employee health and safety, forced labor, and child labor.

### **PRODUCT SAFETY**

We have policies in place to detect and prevent non-compliant product from shipping to customers. This includes testing product materials and coatings, compliance with regulatory requirements, and an effective and efficient recall system.

### **PRODUCT QUALITY**

We have documented procedures to ensure continuous adherence to product quality and performance standards, from design through production. This includes a formal quality manual, regular inspections, and a supplier qualification program.

### **SUPPLY CHAIN SECURITY**

Our policies are designed to provide supply chain visibility and secure delivery of products manufactured and shipped under the **BAG MAKERS** name. Our program meets security criteria established by U.S. Custom's C-TPAT program to protect our borders.

### **ENVIRONMENTAL STEWARDSHIP**

We promote ongoing conservation of the environment by complying with local regulations, recycling, and restricting banned substances.

## PRODUCT SAFETY

Our products and coatings comply with the Consumer Product Safety Improvement Act of 2008 (CPSIA), California Proposition 65, and the Toxics in Packaging Prevention Act. All products and coatings are tested for the ASTM-F963-17 list of toxic heavy metals. Most products also use CPSIA-compliant product labeling and are covered by an online recall tracking program.

## ECO-FRIENDLY PRODUCTS

**BAG MAKERS** has offered eco-conscious product options for more than 20 years. Most of our bags are reusable and many are made with recycled content.

### REUSABLE

Most of our bags can be used many times. Reusable products reduce waste in landfills. Plus, reusable products ensure a brand's logo will be seen repeatedly over a long product lifespan.

### RECYCLED CONTENT

Using recycled materials helps preserve natural resources, save energy in the manufacturing process, and reduce landfill waste. Post-industrial content is material that's recycled after the manufacturing process, before reaching consumers. Post-consumer recycled content is made from waste that has been used by a consumer, disposed of, and diverted from landfills.

- **The Adventure™ Tote** and **R-PET Non-Woven Totes** are made from 100% post-consumer recycled content (R-PET), which comes from recycled plastic bottles.
- **The Penny™ R-PET Poly-Cotton Tote** is made from 35% post-consumer recycled content (R-PET), which comes from recycled plastic bottles.
- **Eco Kraft-Brown Matte-Laminated Eurototes, Eco Die Cut Shoppers, Woven Handle Eco Eurototes, and Matte Shoppers (Toto, Dorothy, Munchkin and Judy)** are made with 100% recycled paper with a minimum of 60% recycled post-consumer content.
- **Eco Kraft-Brown Shoppers** are made with 100% recycled paper with a minimum of 96% recycled post-consumer content
- **Plastic Eco Die Cut Handle Bags** contain up to 40% post-industrial content and up to 20% non-petroleum-based calcium filler, reducing petroleum-based resins by as much as 60%.
- Our **BBL Bags, Merchandise Bags Brown Kraft, S.O.S. Brown Kraft Bags** and **2# Brown Popcorn Bags** are made with 100% recycled material with a minimum of 95% post-consumer content.
