Thank You for choosing us!

A Message from Maribeth

At BAG MAKERS, our employees are truly the heart of everything we do.

I feel lucky to work alongside such a talented, dedicated group of people—and I know you see their commitment in every order we deliver.

In this year's catalog, we put the spotlight on some of our longest-tenured employees; these employees have all been part of the BAG MAKERS family for more than 25 years!

As you flip through the catalog and explore what's new for 2026, I hope you'll enjoy not only discovering new products but also meeting the incredible people behind them. Every BAG MAKERS employee—whether they joined us decades ago or just this year—plays an important role in our success. They make the magic happen every day, whether they are processing your orders, sending samples, keeping our website running, or ensuring your bags are printed and shipped with care.

On behalf of all of us at BAG MAKERS, thank you for your trust and partnership. We're honored to work with you, and we look forward to bringing your bag projects to life in 2026 and beyond.

Warmly,
Maribeth Sandford

Chief Executive Officer

P.S. Special thanks to the Illinois Railway Museum and Donley Auctions for graciously allowing us to photograph at their locations.

ARTWORK GENERAL INFORMATION

FOR PRODUCTS SHOWN ON PAGES 1-163

Please refer to the following pages for complete artwork specifications for each imprint process.

IMPRINTING

Imprints are added to pre-constructed bags, so folds, gussets or other restrictions may impact the available imprint area or ability to print. In addition, a multicolor design may require the bag to pass through the press an additional time for each color, depending on the print process. **BAG MAKERS** requires a minimum space between each ink color to accommodate unavoidable bag movement and color shifting that occurs during production. **COLORVISTA**, Digital Full Color, Direct Print, Dynamic Color, Chromatic, Sparkle, and Sublimation are not subject to this space requirement. Please call for spacing requirements for orders using multiple print processes. Color tints/shades/tones may fluctuate up to 5% within a print run or reorder.

CUSTOM IMPRINT COLORS

- **Screen Print Ink:** Call for availability and pricing.
- **Flexo Ink:** \$62.50 (G) per color. PMS color matching available on White bags only.

Our internal 5-Point Check Compliance Program is built on five key pillars: Social Compliance, Product Safety, Product Quality, Supply Chain Security, and Environmental Stewardship. This program includes third-party audits of our headquarters and supplier base that are completed to ensure products and processes meet or exceed established compliance standards, requirements, and laws.

SOCIAL COMPLIANCE

Our company and supply chain facilities adhere to legal and ethical international standards for social accountability, including those that impact wages, working hours, discriminatory hiring and employment practices, employee health and safety, forced labor, and child labor.

PRODUCT SAFETY

We have policies in place to detect and prevent non-compliant product from shipping to customers. This includes testing product materials and coatings, compliance with regulatory requirements, and an effective and efficient recall system.

PRODUCT QUALITY

We have documented procedures to ensure continuous adherence to product quality and performance standards, from design through production. This includes a formal quality manual, regular inspections, and a supplier qualification program.

SUPPLY CHAIN SECURITY

Our policies are designed to provide supply chain visibility and secure delivery of products manufactured and shipped under the **BAG MAKERS** name. Our program meets security criteria established by U.S. Custom's C-TPAT program to protect our borders.

ENVIRONMENTAL STEWARDSHIP

We promote ongoing conservation of the environment by complying with local regulations, recycling, and restricting banned substances.

PRODUCT SAFETY

Our products and coatings comply with the Consumer Product Safety Improvement Act of 2008 (CPSIA), California Proposition 65, and the Toxics in Packaging Prevention Act. All products and coatings are tested for the ASTM-F963-17 list of toxic heavy metals. Most products also use CPSIA-compliant product labeling and are covered by an online recall tracking program.

ECO-FRIENDLY PRODUCTS

BAG MAKERS has offered eco-conscious product options for more than 20 years. Most of our bags are reusable and many are made with recycled content.

REUSABLE

Most of our bags can be used many times. Reusable products reduce waste in landfills. Plus, reusable products ensure a brand's logo will be seen repeatedly over a long product lifespan.

RECYCLED CONTENT

Using recycled materials helps preserve natural resources, save energy in the manufacturing process, and reduce landfill waste. Post-industrial content is material that's recycled after the manufacturing process, before reaching consumers. Post-consumer recycled content is made from waste that has been used by a consumer, disposed of, and diverted from landfills.

- **The Adventure™ Tote** and **R-PET Non-Woven Totes** are made from 100% post-consumer recycled content (R-PET), which comes from recycled plastic bottles.
- **The Penny™ R-PET Poly-Cotton Tote** is made from 35% post-consumer recycled content (R-PET), which comes from recycled plastic bottles.
- **Eco Kraft-Brown Matte-Laminated Eurototes, Eco Die Cut Shoppers, Woven Handle Eco Eurototes, and Matte Shoppers (Toto, Dorothy, Munchkin and Judy)** are made with 100% recycled paper with a minimum of 60% recycled post-consumer content.
- **Eco Kraft-Brown Shoppers** are made with 100% recycled paper with a minimum of 96% recycled post-consumer content
- **Plastic Eco Die Cut Handle Bags** contain up to 40% post-industrial content and up to 20% non-petroleum-based calcium filler, reducing petroleum-based resins by as much as 60%.
- Our **BBL Bags, Merchandise Bags Brown Kraft, S.O.S. Brown Kraft Bags** and **2# Brown Popcorn Bags** are made with 100% recycled material with a minimum of 95% post-consumer content.
