# ADVENTURE TOTE

Our Adventure™ Tote is a dream bag for eco-conscious customers who are always on the go. These totes are made from 100% recycled polyester (RPET), which comes from post-consumer plastic water bottles that are saved from landfills, broken down, spun into fiber, and then woven into fabric. So, you can feel good about taking these earth-friendly recycled totes along on any adventure—hiking, camping, or even embarking on your daily commute! The Adventure Tote conveniently folds up into a pocket inside the bag for space-saving portability.
