ARTWORK GENERAL INFORMATION

IMPRINTING

Imprints are added to pre-constructed bags, so folds, gussets or other restrictions may impact the available imprint area or ability to print. In addition, a multicolor design may require the bag to pass through the press an additional time for each color, depending on the print process. **BAG MAKERS** requires a minimum space between each ink color to accommodate unavoidable bag movement and color shifting that occurs during production. **COLORVISTA**, Digital Full Color, Direct Print, Sparkle, and Sublimation are not subject to this space requirement. Please call for spacing requirements for orders using multiple print processes. Color tints/shades/tones may fluctuate up to 5% within a print run or reorder.

CUSTOM IMPRINT COLORS

- **Screen Print Ink:** Call for availability and pricing.
- **Flexo Ink:** \$62.50 (G) per color. PMS color matching available on white bags only.
- **COLORVISTA, Digital Full Color, Direct Print, Foil Hot-Stamp, Sparkle, and Sublimation:** Not available.
