We must review and pre-approve all artwork to ensure your order is suitable for the MARQUEE ***process.***

PRINT METHOD

Marquee is a one-color transfer process that provides a weather-resistant finish, suitable for indoor or outdoor use. Ideal for use on large decorative bows for holiday events, prize giveaways, ceremonies, grand openings, and more!

PROOFS

Proofs are required on all new MARQUEE orders and reorders with changes.

PROGRAMS and FORMATS WE ACCEPT

Any other file formats are not acceptable and may delay production.

ADOBE ILLUSTRATOR—*Our Preferred Vector Art Program.*
Save as native Illustrator .ai file, or Illustrator Default PDF with the *Preserve Illustrator Editing Capabilities* box check-marked.

VECTOR ART IS PREFERRED

Vector images can be resized without any loss of quality. Please note that placing or importing photographs, bitmap, or raster images into a drawing program does not convert them into vector artwork. If your artwork contains a placed or embedded raster image (PSD, TIFF, JPEG, CPT, EPS), the original raster image file should be included and be pre-approved by BAG MAKERS.

FONTS and LINE RULES

MINIMUM SIZES:
5-point lines or rules.
50-point fonts. Thin serif font styles are not recommended.

FONTS—*Please Convert To Outlines (Paths or Curves)*
If we do not have the exact font you used, the text in your art will "default" to a less attractive font, changing the look of your design. Converting your fonts to outlines, paths, or curves eliminates this hazard by changing your fonts into vector shapes. This ensures that your artwork will print exactly how you expect it to look.
