BAG MAKERS RECEIVES SAGE A+ SUPPLIER RATING FOR 6TH YEAR IN A ROW

Union, IL—Oct. 30, 2019—BAG MAKERS, Inc., the promotional product industry's leading imprinted bag supplier, is pleased to announce it has received a SAGE A+ Supplier Rating for 2020. This marks the sixth consecutive year the company has earned the highest SAGE rating, which is based solely on distributor ratings via SAGE Online, SAGE Web, and SAGE Mobile.

SAGE is a leading provider of product research and order management services in the industry. SAGE Supplier Ratings recognize suppliers for exceptional customer service and product safety. Distributors can rate suppliers at any time through the SAGE suite or via a "Rate us now" link provided by suppliers. While distributors can only rate each supplier once, they may update their ratings at any time to provide the most accurate representation of their experiences with each supplier. Rating awards are given each year based on the aggregate of distributor ratings, and suppliers with an A+ or A aggregate rating are given an award.

"We are very proud to be known as a SAGE A+ Supplier," said Maribeth Sandford, Chief Executive Officer of BAG MAKERS. "This status is important validation of our employees' hard work and dedication to our customers, as well as our ongoing commitment to providing safe, quality products. The A+ Rating is especially meaningful since it is determined by customers who use our services."
